AAC Communication Board:

This dashboard is a communication tool. By pointing out symbols, it fosters understanding and expressions. For children, having adults point to symbols as they speak can aid in language development and expansion.

Tablero de comunicación AAC:

Este panel es una herramienta de comunicación. Al señalar símbolos, fomenta la comprensión y las expresiones. En el caso de los niños, hacer que los adultos señalen los símbolos mientras hablan puede ayudar a desarrollo y expansión del lenguaje.

Our Autism Journey - AAC Communication Board
